

CLARIFICATION NOTICES

Section A.3.6 describes consultation with review agencies. As stated in bold in this section, **“Other than the agencies to be contacted in all cases (see below) indicated, only those agencies who are likely to have an interest in the project need to be contacted.”**

In particular, the Ministry of the Attorney General has asked only to be contacted if the project is relevant to that Ministry.

Also, instead of mailing Notices of Completion to MOE-EAA Branch in Toronto as per Appendix 6, all Notices of Completion should now be emailed to MEA.Notices.EAAB@ontario.ca with a copy also sent to the Regional EA Planner/Coordinator.
